

EXHIBIT 6

**UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA**

FAIR ISAAC CORPORATION,

Court File No. 16-cv-1054 (WMW/DTS)

Plaintiff,

v.

FEDERAL INSURANCE COMPANY,
an Indiana corporation, and ACE
AMERICAN INSURANCE COMPANY, a
Pennsylvania corporation,

**FEDERAL INSURANCE COMPANY'S
FIFTH SUPPLEMENTAL ANSWER
TO PLAINTIFF'S INTERROGATORY
NO. 16 AND SIXTH SUPPLEMENTAL
ANSWER TO PLAINTIFF'S
INTERROGATORY NO. 17**

Defendants.

To: Plaintiff and its attorneys, Allen Hinderaker, Heather Kliebenstein and Michael A. Erbele, Merchant & Gould P.C., 3200 IDS Center, 80 South Eighth Street, Minneapolis, MN 55402.

Defendant Federal Insurance Company ("Federal"), for its Fifth Supplemental Answer to Plaintiff's Interrogatory No. 16 and Sixth Supplemental Answer to Plaintiff's Interrogatory No. 17, states and alleges as follows:

GENERAL RESPONSES

1. Federal objects to the Definitions and Instructions to the extent that they seek to impose obligations on Federal that either exceed, or are different from, what is required under the Federal Rules of Civil Procedure, District of Minnesota Local Rules, and the Stipulated E-Discovery Order.

2. Federal objects to the requests to the extent that they seek information protected from discovery under the attorney-client privilege or work product doctrine.

Chubb Ins Co of Canada	12350	\$9,914,474
Federal Ins Co - Canada	12	\$4,223
Federal Insurance Co	315037	\$190,176,397
Pacific Indemnity Co	3333	\$5,447,405
Vigilant Insurance Co	25206	\$5,515,309

SIXTH SUPPLEMENTAL ANSWER TO INTERROGATORY NO. 17

INTERROGATORY NO. 17: For all insurance policies in connection with which the Blaze Advisor® software was used, the gross written premium of Defendants and the gross written premium of each related company, including the specific identification of each related company, for each quarter from March 30, 2016 to date. For clarity, this Interrogatory is not seeking investment income, other income, or capital and surplus accounts.

ANSWER: Defendants object to the request for “all” insurance policies as overbroad, unduly burdensome, and not proportional to the needs of this case. Defendants also object to this Interrogatory as compound and impermissibly constituting multiple interrogatories, which are limited in number under the Federal Rules. Defendants also object to this Interrogatory as vague and ambiguous in failing to identify the relevant “use” and calling for insurance policies “in connection with.” Defendants further object to this Interrogatory because “the gross written premium” of Defendants and the “gross written premium of each related company” are not relevant to any claim or defense in this action, including because Defendants’ profits are not reasonably related to the alleged infringement, as is necessary for FICO to obtain an award of the defendants’ profits. *See, e.g., Francois v. Ruch*, 2006 WL 3735950, at *3 (C.D. Ill. Dec. 15, 2006). Defendants further object to the extent the Interrogatory seeks information not in the possession, custody, or control of Defendants, and thus exceeds the scope of discovery under Federal Rule 26(b)(1).

- CSI eXPRESS, Automated Renewal Process, and Profitability Indicator are combined all together in one chart because creating a separate chart for each application would result in triple-counting of the policy counts and gross written premiums. In other words, policies and premiums that go through one of these applications goes through the other two applications as well.
- For Corporate Business Systems (CBS), which is not a strategic business unit (SBU), the following application uses Blaze Advisor® software: Premium Booking. The approximate gross written premiums and policy counts that used these applications, in connection with which the Blaze Advisor® software was used, is provided in the charts below for the years requested. Discovery is continuing.

Year	Gross Written Premium	Policy Count
2018	\$500,850,828.90	57,023
2017	\$442,839,931.87	60,142
2016	\$503,432,073.43	57,219

- The data for Premium Booking is extracted from a mainframe DB2 table that is specifically tracking the policies that passed through the Premium Booking “rules” as constructed in/using the Blaze Advisor® tool. Unfortunately, this table does not include writing company and that information could not be correlated to the policy count/gross written premium values being provided.
- For the Chubb Commercial Insurance (CCI) business unit for the years identified below (post-merger), the following applications use Blaze Advisor® software: CUW-IM, TAPS, and IRMA. The approximate gross written premiums, policy counts, and identification of the insurance writing companies that issued insurance policies that used these applications, in connection with which the Blaze Advisor® software was used, is provided in the charts below for the years requested. Discovery is continuing.
- **For CUW-IM:**¹

¹ We understand that this financial information includes policies that were brought in under a system that includes policies that are renewed using Blaze, but automatically at the same time includes the prior transaction involving the same policy regardless whether it uses Blaze. We are seeking a way to not include the prior policy since it results in the financial information having inflated numbers.
